FAX:

PLEASE IDENTIFY TYPE & QTY OF SMALL ARMS BEING REQUESTED											
	M16 RIFLE (5.56MM)			M14 RIFLE (7.62)	SHOTGUN		PISTOL (automatic)		Pistol (Revolver)		Other platform requested? (please identify type):
	M16	M16 A1	M16 A2		1200	M1912	Glock	M1911	SS84-L	M10	
QTY REQUESTED:											

1. Please thoroughly explain the intended use and impact the resource will have upon your jurisdiction and/or neighboring jurisdiction support to other agencies (examples may include SWAT, active shooter, barricaded suspect, emergency response, first responded, critical incident, hostage rescue, natural disaster response, homeland security, or counter-terrorism). List additional information as needed to explain the intended use of the resource.

2. Is the requesting agency located within an Office of National Drug Control Policy designated High Intensity Drug Trafficking Area (HIDTA)? If yes, please describe.

3. Is the requesting agency involved by mutual agreement with multi-agency associations/task forces of a counter-drug/counter-terrorism/border security nature?

4. State the population within the requesting agencies jurisdiction and describe the geographical size of the area of responsibility.

5. LESO Program requires that small arms that are not carried on an officer's person or in the officer's immediate physical vicinity be secured using "two levels of physical security". Two levels of physical security meaning two distinct lockable barriers, each specifically designed to render a small arm inaccessible and unusable to unauthorized persons. Lockable barriers meeting this description may be either manual or electronic. Please describe two levels of physical security used by your agency in each of these scenarios. **Note-Each response to the two levels of physical security must specifically state how the small arm is locked or how it is under lock. Locked must be in the response.*

5.a. Please describe the two levels of physical security used to lock the small arm when the small arm is stored within the LEA building/armory, etc.

5.b. Please describe the two levels of physical security used to lock the small arm when the small arm is issued to an officer during shift/patrol.

5.c. Please describe the two levels of physical security used to lock the small arm when the officer has possession of the small arm off duty.

6. Provide estimated usage/mission requirements for requested small arms.

7. Describe the agency policies and procedures in place to maintain proper accountability. **Note-Small arms that are issued to officers must have a documented chain of custody with the minimum required elements of Agency Name, Officer First and Last Name, Item Name, Serial Number, QTY of item issued, Officer printed Name, Officer signature and Date issued to Officer. The LESO Program has created a template called an Equipment Custody Receipt (ECR), contact your State Coordinator if you would like a copy of the ECR template for your use. LEAs may utilize their own form/version of a chain of custody so long as it contains the required elements that have been identified above.*

8. (OPTIONAL) Provide any additional information pertinent to small arms request.

By signing this document, the Chief Law Enforcement Official or Head of Local Federal Agency (Supervisor/Regional Agent in Charge/Special Agent in Charge [RAC/SAC]) certifies that: a) the agency listed above has the appropriate funds, license (s), safety, and operational training required to operate and maintain the requested vehicle, b) that the agency is abiding by the current version of the LESO approved State Plan of Operation (SPO) and any SPO Addendum(s), c) that the agency has a signed copy of the SPO and any SPO Addendum(s) on file, d) the agency certifies that all information contained above is accurate, e) the request for vehicle(s) is warranted and f) the request for vehicle (s) has been approved/is endorsed by the agency signatory listed below.
